Cruise Layout

Sit back, relax, and enjoy the "C" Layout's dual-facing bench seats. This design boasts two captain's chairs positioned for unobstructed viewing of the journey ahead. Deck space is optimized for easy movement and quick access to every point in the vessel. A custom stainless-steel gate encloses the aft area, keeping the smallest passengers and pets contained.

Halo 26 C

Halo 26 C Twin

Lounge Layout

The "L" layout combines two captain's chairs and a thoughtfully positioned swing back lounge in the aft section of the vessel. The versatility of the powered backrest allows passengers to sit facing the stern or bow at different angles or lie completely flat while soaking up the sun. A custom stainless-steel gate secures the aft area, giving you peace of mind that even the smallest passengers and pets stay safely inside.
